

BEFORE  
THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA  
DOCKET NO. 90-404-C - ORDER NO. 90-661  
JULY 9, 1990

IN RE:	Petition of Commission Staff	)	ORDER GRANTING
	for a Rule to Show Cause	)	RULE TO SHOW CAUSE
	Against Certain Jurisdictional	)	AGAINST CERTAIN
	Interexchange Carriers.	)	INTEREXCHANGE CARRIERS

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a Petition filed on behalf of the Commission Staff seeking an Order from the Commission for a Rule to Show Cause against certain jurisdictional interexchange carriers listed in Appendix A attached to the Staff's Petition. The Petition asks that the Commission cause the interexchange carriers listed in Appendix A to appear before the Commission and show cause why they are not required to file surveillance reports as required by Order No. 88-178, issued February 18, 1988, in Docket No. 87-483-C, or in the alternative, show cause why the Certificate of Public Convenience and Necessity issued to such non-complying interexchange carriers should not be revoked and cancelled.

Upon receipt of the Petition of the Commission Staff, the Commission reviewed the interexchange carriers appended to the Petition and made certain modifications to the Appendix. Notably, the Commission reviewed its files and discovered that the requisite

surveillance report had been filed by Southern Net of South Carolina, Inc. and that certain interexchange carriers listed in the Appendix had only recently been certified or their Application for certification was still pending before the Commission. However, as to other carriers that had been certified for a considerable period of time, the Commission is of the opinion that those carriers have not filed the required surveillance reports and therefore as to those carriers, the Commission Staff's Petition for a Rule to Show Cause requiring these carriers to show cause why they are not required to file surveillance reports or in the alternative, show cause why the Certificate of Public Convenience and Necessity issued to such non-complying interexchange carriers should not be revoked and cancelled. Therefore, the Commission has determined that the carriers listed in Appendix A attached hereto and incorporated by reference herein should be required to come before this Commission as requested by the Commission Staff. The Petition of the Commission Staff is hereby granted as requested.

IT IS SO ORDERED.
